

Create a Facebook Page

A Point of View Assignment

Your assignment is to create a Facebook page in the point of view of the narrator in Edgar Allan Poe's, "The Tell-Tale Heart."

For this assignment you must delve deep inside the narrator's character and *become* him. What are your thoughts? How do you speak? What are your actions?

You must use all three points of view in order to complete the Facebook page. Refer to the template on the back of this handout and make sure to use the designated point of view (if identified) for each feature:

1. **Picture** (take on the role of the narrator – what do you look like?) /1

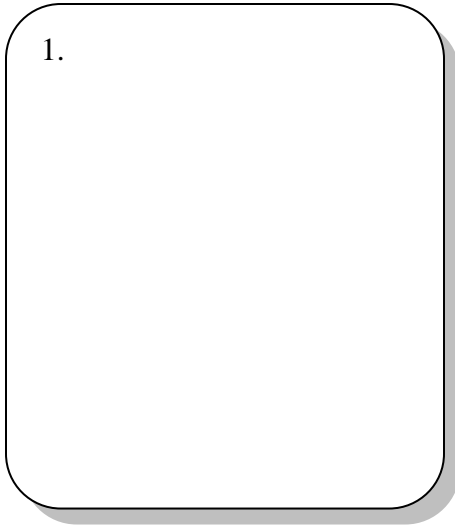

2. **Summary of Character – first person POV** /2
 - ★ Use to describe yourself (your character traits, interests etc...)
 - ★ Include a minimum of two points

3. **Basic Information – third person POV** /1
 - ★ Age, relationship status, school/jobs, networks etc...

4. **Photo Albums – first person POV** /2
 - ★ Use 2-3 symbols from the story as the images for your albums – give a brief description of each

5. **Name...status... - third person POV** /1
 - ★ Name in bold followed by your status (what are you doing right now?)
 - ★ Past statuses become a part of your Wall

6. **The Wall (the heart of the Facebook page) – first, second, and third person POVs** /6
 - ★ This is where others make comments to you (second person POV) – include at least 2 comments from others
 - ★ Respond back to each of the comments (first person POV)
 - ★ The Wall is also where your past statuses reside (third person POV) – include a minimum of 2
